

# DO KHANH DAT

CHEMICAL TECHNICIAN

## CONTACT

-  058-246-1618
-  dokhanhdat2605@gmail.com
-  HT23 Street, Hiep Thanh Ward,  
District 12, Ho Chi Minh City

## EDUCATION

**Ho Chi Minh City University of  
Technology and Education**

2020-2024

*Chemical Engineering  
Major: Organic Chemistry*

GPA: 8.00/10

## SKILLS

- Performing modern analysis
- Data processing and evaluation
- Laboratory techniques and procedures
- Teamwork
- Proficient user of MS software such as Word, Excel, and PowerPoint

## PROFILE

I have just successfully defended my graduation thesis at HCMC University of Technology and Education. Throughout my four years at university, I've been a fast learner and have gained some essential engineering and quality control skills such as critical thinking, problem-solving, and teamwork. I'm very excited about new opportunities and challenges where I can learn about laboratory skills. I believe that the knowledge and experience I have gained will contribute to the success of the company.

## WORK EXPERIENCE

**R&D Intern**

07/2023 - 09/2023

### LIX DETERGENT JOINT STOCK COMPANY

- Assisted in conducting laboratory experiments, including sample preparation, product quality testing, and recording results.
- Contributed ideas to the new product development process.
- Exposed to and worked with modern analytical equipment in the laboratory.
- Accumulated experience in teamwork and effective communication in a dynamic work environment.

**Student Research**

10/2023 - now

### HCMC University of Technology and Education

- Conducted research in "Fluorescence quenching kinetics of  $\alpha$ -glucosidase by novel 2,3-dihydroxychalconoids".
- Exposed to and operated modern equipment such as preparative HPLC, UV-Vis, PL, and Elisa Microplate Reader.

## CERTIFICATES

- English Skill (TOEIC 535).
- Completed the course: IELTS INTERMEDIATE (BAND 6.0 - 6.5) at English House Center.
- Completed the courses of 2022 Holiday School - Introduction to Biomedical Mechanics.
- Participated in the 2023 International Summer School organized within the frame of the EU-funded project "Future-ORiented chEmiSTry, FOREST".

## ACTIVITIES

- Advisor for the Freshmen Mentoring Program, supporting the school's recruitment efforts.
- Served as an outstanding Youth Union Secretary for four consecutive years.
