ABOUT ME

I'm a young Architect with love and passion to this career. I'm a careful and hard-working person. I easily adapt to with new working environment and take initiative in work. I want to a professional workplace where i can learn new things and improve myself.

WORK EXPERIENCE

Jun 2022 - Feb 2023

INTERN - YEN CONCEPT

- During the period of internship at the company, I'm acquainted with how to manage a draw, deploy the simple small town house drawings.
- I was trained to develop technical drawing under the guidance of the leader.

Feb 2023 - Now

FREELANCER

- This is the time when i participate in small projects in architecture and interior design from design to construction.
- I can improve my problem solving skills in construction with small projects.
- I have acquired knowledge about permit applications according to TCVN
- I got the chance to experience and I have had experience in teamwork and working on large projects.
