CAREER GOALS

I hope to work in a professional programming environment, where I can develop professional skills, learn new programming knowledge to successfully complete the assigned work.

PERSONAL SKILLS

Design PCB

C/C++ language

English for communication

PHP language

Java language

MVC model

EDUCATION

Institution : Ho Chi Minh City University of Technology (Bách Khoa University)

Major: Computer Engineer

Mark: 6.4

WORKING EXPERIENCE

CEI Investment Co., Ltd.   (9/2022 - now)

Position: Test and Test Design Engineer

- Record and raise installation and design defects in a timely fashion.
- Review test procedures and circuit diagrams before starting the system testing processes.
- Working with electricity using calibrated test equipment.
- Write test work instructions
- Evaluate system performance and suggest improvements as needed.
- Debug and rework failure board
- Build tester fixture
- Programing test procedures by VBA , C/C++, Labview
- Read and embed customer firmware code

Freelance Website and Application (2/2021 - 8/2022)
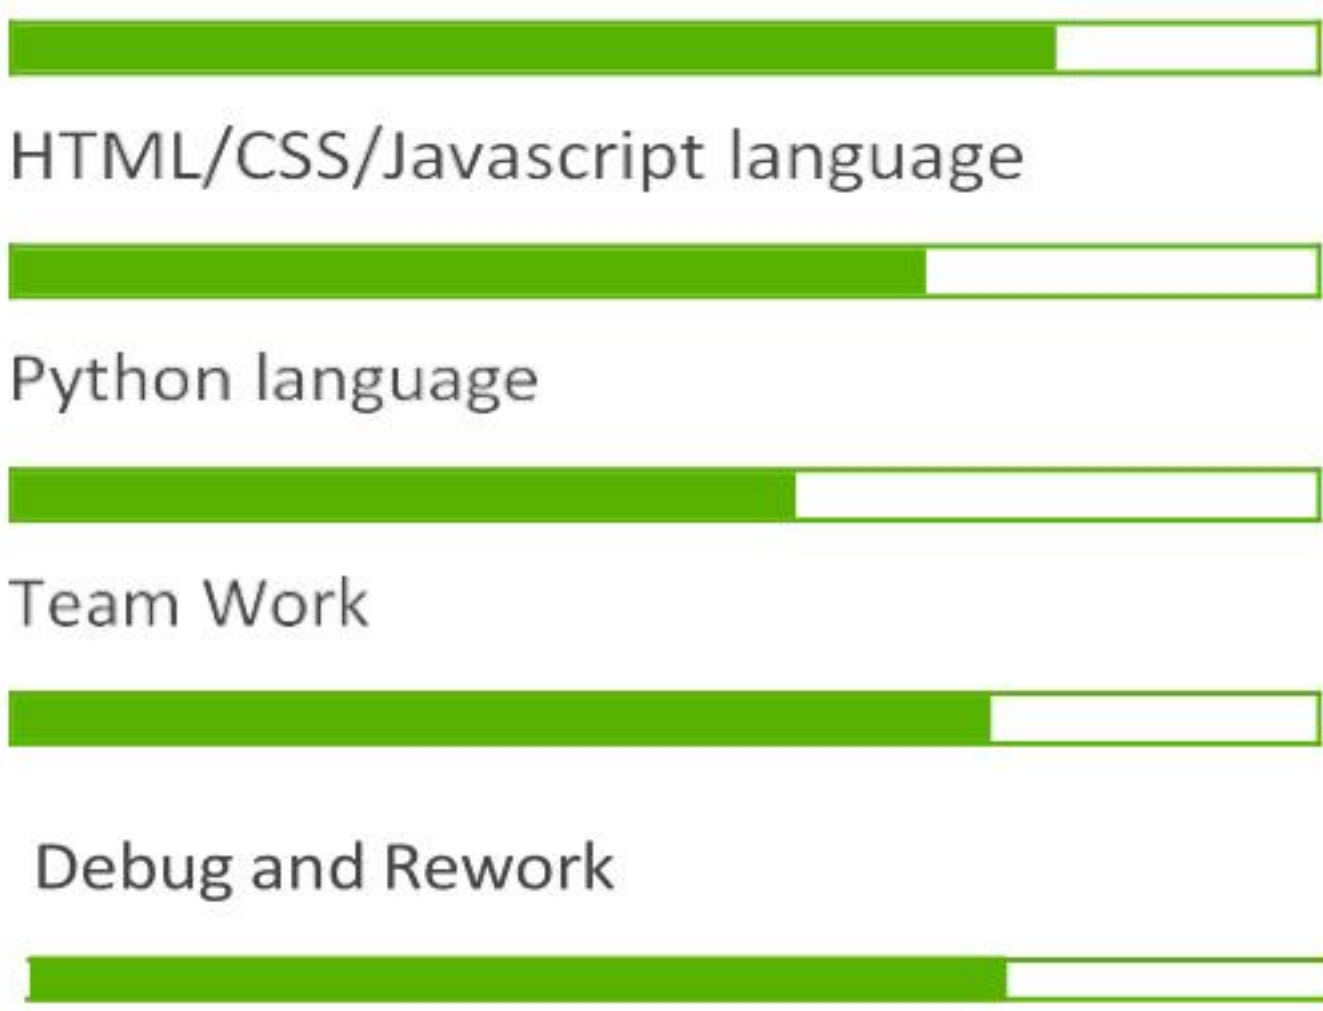

Position: Manager (With 10 members)

- Looking for new projects
- Contract negotiations
- Divide work among team members
- Support team members
- Operating the site system, building and maintaining satellite site system
- Developing features, changing the interface, building effects and optimizing use for users
- Processing, analyzing and designing databases, applying to large capacity database

Design Website Minh Thuận (9/2018 - 2/2021)

Position: Leader Design Website Full-Stack (With 6 members)

- Take on new projects
- Divide work among team members
- Report daily work to supervisor
- Support team members
- Operating the site system, building and maintaining satellite site system
- Developing features, changing the interface, building effects and optimizing use for users
- Processing, analyzing and designing databases, applying to large capacity database

HTML/CSS/Javascript language

Python language

Team Work

Debug and Rework

STRENGTH

- Creativeness
- Confidence
- Eager to learn
- Good work pressure
- Good management capacity

HOBBIES

- Programming
- Listening to music
- Playing sport
- Playing game
- Participating in social activities
