TUNG NGUYEN

PHP Developer

📞 ▓▓▓▓▓▓   @ ▓▓▓▓▓▓▓▓▓   🔗 ▓▓▓▓▓▓▓▓

📍 **Ho Chi Minh City, Viet Nam**

SUMMARY

To become a web developer, logical thinking is not a key factor for success (even though people often quote the opposite). To me, logic is for computer scientists. If you are a web developer, you need to have abstract thinking, continuously learn from various sources (such as reading code on Google, learning from colleagues, and even drawing insights from daily life), and know how to present your thoughts to others

EXPERIENCE

Php Developer

Forix

📅 04/2022 - 03/2024   📍 Ho Chi Minh City, Vietnam
