🏠 458/26 Nguyen Tat Thanh, Ward 18, District 4, Ho Chi Minh City

SUMMARY

Working as an UI/UX designer, I have created many products about design for customers in Norway, UK and Singapore. With a long time working in the company, I have learned many things from projects, customers and other colleagues. I like working in a professional environment and team work. I really like sharing my knowledge with other members in team, so I have trained many members in team to build a strong team in my company.
