- Backup restore database.
- Mentor a new member.

EDUCATION

2011-2013
INTERMEDIATE PROFESSIONAL APPLICATIVE INFORMATICS, CAO THANG TECHNICAL COLLEGE
I graduated with a very good rating

SKILLS
SYSTEM

- Knowledge email, DNS, DDNS

- Experienced to build/implement/maintain Server(HP, Dell, IBM, Supermicro) & Storage solutions(NAS, SAN, DAS, tape, block storage, file storage, object storage)
- Have capacity of managing switch, router, VoIP, analog PBX, Wi-Fi marketing, , camera analog/ip,...
- Can work with operating system: windows server, ubuntu, centos, macos, Oracke Linux,...
- Experienced in Virtualization products (VMware, Hyper-V, Citrix, KVM), able to consults and provide flexible solutions to customers.

NETWORK

- Knowledge load balancer (HAproxy, nginx), router(Cisco, HP, Draytek, Mikrotik, pfsense)
- Network service: VLAN, DHCP, DNS, proxy

DEVOPS

- Experienced using and management: jenkins, gitlab, azure devops, sonar, jira, visual SVN server
- Experienced database management: Oracle, MSSQL, Mysql, postgresql, mongodb, ..
- Web server: apache2, nginx, IIS
- Container: dockerfile, docker compose, kubernetes, docker swarm, mesos, jforg,...
- Can use cloud: aws, azure, Hosting, VPS
- infrastructure as code: terraform
- Monitoring: New Relic, Application Insights, grafana, ELK, Graylog,, appdynamics

PROGRAMMING LANGUAGE

- OS: powershell, bash.
- Programming: groovy, nodejs, SQL, C#, _____, _____ MVC, javascript, cs, python
- Configure, automation: groovy, terraform, ansible
- Performance test: Jmeter

OFFICE

- Computer skills – MS Word, Excel, Power Point and Outlook

ACTIVITIES

- Reading novel and detective story
- Listening to music
- Running
- Football
